

FAMILY ADVENTURE CAMP

August 14-17, 2024

WEDNESDAY August 14

3-5PM Check-in _____ Education Center
 5:15PM Dinner _____ Dining Hall
 6:00PM Welcome Meeting _____ Education Center
 7:00PM T-shirt Tie Dye _____ Education Center

THURSDAY August 15

8:00AM Breakfast _____ Dining Hall
 9:00AM Herpetology _____ Education Center Lab
 Learn all about our local reptiles and amphibians, then go on the hunt to see if we can get up close and personal!
 • Bug spray, sunscreen, water bottle
 • Comfy walking shoes that can get dirty/muddy
 12:30PM Lunch _____ Dining Hall
 1:30PM Salt Marsh Plunge _____ Education Center Lab
 Dive right into what makes a salt marsh so important! After investigating in the classroom, head into the field to take the plunge!
 • Bathing suit worn under clothing • Bag for muddy items
 • Secure shoes that tie and can get very muddy • Change of clothes and shoes
 • Clothes with long pants that can get very muddy • Towel
 5:30PM Grill Out Dinner _____ Campfire Ring
 7:00PM Campfire _____ Campfire Ring
 Gather 'round the campfire for s'mores and games!

FRIDAY August 16

8:00AM Breakfast _____ Dining Hall
 9:00AM Fish Biology _____ Education Center Lab
 Learn all about the anatomy and adaptations of different fish by getting a closer look at our local fish species. Collect fish using seine nets, dip nets, and other sampling methods.
 • Hat, sunscreen, water bottle • Towel
 • Shoes & Clothes that can get wet • Change of clothes & shoes
 • Bathing suit worn under clothing • Plastic bag for wet clothes
 12:30PM Lunch _____ Dining Hall
 1:30PM Oceanography Research Cruise _____ Education Center Lab
 All aboard! Time to set sail into coastal waters to hone your oceanography skills by testing water quality, gathering data, and trawling for organisms.
 • Hat, sunscreen, water bottle • Weather appropriate layers
 • Secure shoes that can get wet • Binoculars and/or camera
 • Sturdy, closed-toe shoes
 5:15PM Dinner _____ Dining Hall
 6:30PM Squid Dissection _____ Education Center Lab
 Put your biology skills to the test as you learn all about squids and what makes these cephalopods tick! You'll take a deep dive into squid anatomy and body processes while getting truly hands-on

FAMILY ADVENTURE CAMP

August 14-17, 2024

SATURDAY
August 17

8:00AM Breakfast _____ Dining Hall
9:00AM Organism Lab _____ Education Center Lab
In our exciting Organism Lab, we'll explore both the micro- and macro-organisms that we found in the field! We'll identify various types of zooplankton, fish, invertebrates, and more!
12:00PM Check Out _____ Education Center Lobby

THANK YOU FOR JOINING US!
