

Marine Science Summer Camp Counselor Internships (June 5 – Aug 11)

4 positions available

\$250 per week + room and board

Responsibilities

- Overnight and free time supervision of camp participants; including creating and organizing educational and recreational free time activities, getting participants to and from meals and camp events.
- Meet and greet parents/guardians and participants on check-in and check-out days.
- Ensure that health, happiness and safety are top priorities at all times.
- Develop and lead weekly Citizen Science activities with campers.
- Co-teaching with educators on various camps throughout the summer.
- Taking pictures of summer camps on a weekly basis.
- Creating and submitting weekly nighttime/free time Activity Plans and Activity Reports.
- Participation in camp events led by Field Station Educational Staff as needed.
- Administering medications as needed.
- Weekly camp duties run from Sunday at 3:00 pm to Friday at 6:00 pm.
- With the assistance of the Camp Coordinator, interns will plan and lead the final summer camp of the summer, a 3-day camp for 10-12 year olds.

Internship Outcomes:

Marine Science Camp Interns will

- Gain an in depth understanding of the dynamic ecosystems of a barrier island.
- Receive training in environmental interpretation and education.
- Gain experience creating educational curricula for ages 8-18.

Requirements

- Must have a degree or be working towards a degree in Education, Outdoor Recreation, Marine Biology, Environmental Sciences or other relevant fields.
- Ability to connect with, encourage, and direct participants of all ages.
- Must be energetic, enthusiastic and motivational.
- Ability to think fast, make decisions and enforce rules.
- Must enjoy contact with people, putting into action the belief that first impressions are important with every personal contact.
- Valid Driver's License and submittal of recent Driving Record.
- Must be 21 or older.
- Current First Aid and CPR (we will provide training).
- Friendly, creative, energetic personality.
- Willingness to work long hours with program participants in various weather conditions.
