

## **CBFS COVID-19 PROTOCOLS**

Effective Summer 2021

Protocols are subject to change.

- Students must be able to provide proof of a negative COVID-19 test result prior to reporting to the Field Station (FS). Tests must be done within a 72-hour period prior to the arrival on campus.
- If a student has been fully vaccinated and has completed the 14-day incubation period, the student will not be required to be tested. They must provide proof of vaccination.
- Individuals will be required to sign a COVID Waiver Form upon arrival.
- Each university is required to provide their own transportation for students while at the FS. If a CBFS van is being used, social distancing is required and no more than 7 individuals will be allowed in a van.
- Masks are always required except when students are in their living quarters.
- Temperature checks will be required prior to entering the Education Center.
- Individuals residing on campus will have a daily temperature check at the Cafeteria prior to entering for breakfast.
- Students who are in the same cohort or family groups can sit together while dining.
- Individuals will be required to wear gloves while in the food service area. Students can remove both mask and gloves once they are seated.
- Instructors are required to do their own temperature check.
- Day campers will be required to do daily temperature checks.
- Students who show symptoms of COVID-19 must get tested locally at any site near the FS and are required to follow the guidelines for quarantining. Red Knot has been set aside as the area in which student will be quarantined. Individuals must remain in quarantine until they receive a negative test result.
- Students will be housed in a double occupancy suite. Each suite has 4 bedrooms which will be treated as cohort or as a family unit.
- CBFS will deep clean the residence hall between sessions and will clean frequently used areas at least once a week.
- Social distancing is always required on campus.
- While on any vessel, students will be required to wear a mask and social distance to the best of their ability.
- Shared equipment, common surfaces, and vehicles will be sanitized after each use.
- ***Anyone who tests positive for COVID-19 will be sent home immediately. NO EXCEPTIONS!***
- CBFS is required to follow COVID-19 Guidelines provided by the Commonwealth of Virginia, which will supersede any other guidelines.
