 1:30PM **Salt Marsh Plunge** _____ Education Center Lab
 You and your family will head back to Wallops Island. There we'll be exploring one of the most productive ecosystems on the planet! Science doesn't get any more hands-on than our "productivity plunge" to experience the marsh (and mud!) full immersion style.

- Sunscreen, water bottle
- Bag for wet clothing (please request a plastic bag from staff if you need one)
- Long pants
- Tight fitting, lace up sneakers that can get muddy (no rubber boots)
- Bathing suit worn under clothing (for changing afterwards)
- Towel, change of clothing, and additional shoes
- Adults- Government Issued I.D. (foreign nationals won't be allowed on the island without prior approval)

6:00PM **Dinner** _____ Dining Hall
 7:00PM **Songs and S'mores by Campfire** _____ Campus Fire Ring
 Enjoy an evening of traditional campfire fare. Your CBFS staff will entertain with a variety of fun skits and audience participation camp songs. Top off the night with the campfire tradition, a delicious s'more snack!
