

SPRING BREAK FAMILY CAMP

April 2-5, 2023

SUNDAY April 2

- 9-11AM Check-in _____ Education Center
- 11:15AM Welcome Meeting _____ Education Center
- 12:00PM Lunch _____ Dining Hall
- 1:30PM Maritime Forest Ecology _____ Education Center Lab
- 6:00PM Dinner _____ Dinner
- 7:00PM T-shirt Tie Dye _____ Education Center

MONDAY April 3

- 7:30AM Breakfast _____ Dining Hall
- 9:00AM Dune Exploration _____ Education Center Lab
Learn how barrier islands form and change and why beach life isn't as relaxing as you might think. Head out into the field on Wallops Island to build your very own dune system and learn what makes this ever changing environment so unique! Afterwards, go on a shell and marine debris collection walk!
 - Hat, sunscreen, bug spray water bottle
 - Comfortable shoes
 - Bag or collecting shells
 - Binoculars and/or camera
- 12:00PM Lunch _____ Dining Hall
- 1:30PM Herpetology _____ Education Center Lab
Learn all about our local reptiles and amphibians, then go on the hunt to see if we can get up close and personal!
 - Bug spray, sunscreen, water bottle
 - Comfy walking shoes that can get dirty/muddy
 - Weather appropriate layers
 - Binoculars and/or camera
- 6:00PM Dinner _____ Dining Hall
- 7:15PM Nocturnal Adaptations Hike _____ Education Center Lab
Test your night vision during this dark hike. Students will acquaint themselves with nocturnal animals and the adaptations that make them successful as creatures of the night.
 - Comfortable walking shoes
 - Bug Spray

TUESDAY April 4

- 7:30AM Breakfast _____ Dining Hall
- 9:00AM Fish Biology _____ Education Center Lab
Learn all about the anatomy and adaptations of different fish by getting a closer look at our local fish species. Collect fish using seine nets, dip nets, and other sampling methods.
 - Hat, sunscreen, water bottle
 - Shoes & Clothes that can get wet
 - Bathing suit worn under clothing
 - Towel
 - Change of clothes & shoes
 - Plastic bag for wet clothes
- 12:00PM Lunch _____ Dining Hall
- 1:30PM Oceanography Research Cruise _____ Education Center Lab
All aboard! Time to set sail into coastal waters to hone your oceanography skills by testing water quality, gathering data, and trawling for organisms.
 - Hat, sunscreen, water bottle
 - Sturdy, closed-toe shoes
 - Weather appropriate layers
 - Binoculars and/or camera
- 6:00PM Grill Out Dinner _____ Campfire Ring
- 7:00PM Campfire _____ Campfire Ring
Gather 'round the campfire for s'mores and games!
